

**Start in Laos.
Become Ready for the World.**

**A Master's degree
in just 4 years**

1 year at St Hugh's College Vientiane
+ 3 years at Assumption University, Bangkok

The Future Will Reward Different Skills

Business is changing. AI is changing. Careers are changing.

Students need more than a degree. They need judgement, confidence and digital fluency.

Strategy

Business thinking

AI + Data

Technology fluency

English

International communication

A faster, smarter route to a world-class business education

2

Degrees Earned

A **Bachelor's** and a
Master's from
Assumption
University

4

Years Total

Compared with 6+
years on the
traditional route

1

Year at Home

Year 1 is taught
at St Hugh's
College, close to
family

Two trusted institutions, one seamless journey

- One of Thailand's most established private international universities
- Modern campuses, international community, and global partner universities
- Awards both the Bachelor's and the Master's degree

- Part of the Panyathip group
- Small classes and personal academic mentoring
- Experienced in preparing Lao students for international universities
- Your local point of contact for all four years

What is SIMBA?

SIMBA — Smart Integration in Management & Business Analytics combines business theory with technological expertise so students can create practical solutions for digital industries.
